MEMORANDUM FOR THE RECORD

SUBJECT: Briefing for Calvin Humphrey, HPSCI Staff, on the
Status of the FPO/SPO Conversion

25X1 1. At the request of Calvin Humphrey, [] Deputy
25X1 Director of Personnel for Employment, and [] from
the Office of Security provided an update on the number of FPOs
who are converting to SPO. Humphrey has been closely following
this conversion process at the behest of HPSCI Chairman Stokes.

25X1 2. [] reported the following:

25X1 -- [] former FPO's have applied.

-- [] have completed the medical and polygraph
examinations.

25X1 --The remaining [] are to be polyed on 19 October.

25X1 -- [] of the [] who completed the medical and polygraph
have now been fully approved and will be made an
employment offer.

25X1 -- [] subsequently added that an additional [] of
25X1 the [] should soon be approved.

--On 20 August, Personnel went back out with a letter
to all FPOs extending the opportunity for them to
apply and receive priority processing if they
submitted applications prior to September.

3. Humphrey indicated that he thought Chairman Stokes
would be most pleased with Agency efforts when he reported the
results. He then asked if we would tell him the reasons why
candidates were rejected. Humphrey was told that he could have
such information in only the most general manner. We would
only be willing to tell him the total number rejected by such
general categories as medical or security.

25X1 4. [] then explained what he had found out about
25X1 [] an Agency applicant for an SPO position, who
25X1 alleged he had been poorly treated. There is no evidence to
25X1 support the allegation. [] said, however, to ensure fair
25X1 treatment, we would be willing to retest [] Humphrey
replied that he would check with the constituent to determine
if he wanted to take the testing again.
